Confirmation

We hereby confirm that Mr. and Mrs. Brandal have contacted The Mission Alliance regarding a donation of money in connection with their excellent artistic work presented in CD-books about ocean liners and cruise ships. Mr. and Mrs. Brandal are well known as good co-workers for our organization.

Mission Alliance has project in nine countries in Asia, South-America and Africa. We work among poor and discriminated people. In the slum of Metro-Manila, Philippines, we have been working with community development for more than 30 years, focusing on children and children rights.

For Mr. and Mrs. Brandal this is a non-profit project and they pay all production and shipment costs for the CD-books, while invoices for the CD-books are issued for payment directly to the Mission bank account.

Our organization is dependent on personal gifts from people in Norway. Although we are supported by the Norwegian Government, we still get about 2/3 of our total budget from private donors in Norway.

We are very thankful for the donation from Mr. and Mrs. Brandal. Then Mission Alliance guarantees that the money will be used in projects among poor children in Metro-Manila.
